Itinerary

Hop on your bike and explore the colorful and fragrant roads of Provence, between lavender fields, olive trees and hilltop villages. You start your bike tour in Avignon, the city of Popes with its rich artistic and architectural heritage. Then, after riding through the famous vineyards of Châteauneuf-du-Pape, reach Orange and its ancient theater. With the rocky "Dentelles de Montmirail" in the background, ride through the countryside to Séguret, one of the most beautiful villages in France. Cross on your way many small typical Provencal villages and reach Mazan, at the foot of Mont Ventoux. Finally, your last stage takes you to Isle-sur-la-Sorgue, a former fishing village, renowned today for its numerous antique shops. Breathe the beautiful scents of Provence during a delightful breakaway !

Day 1

Avignon - Orange

Bike
42km

If you like, explore Avignon some more this morning. This UNESCO Heritage site has plenty to see. Afterwards, you'll leave the city along the Rhone River and pass through picture-perfect villages in the countryside. After crossing the river, you'll reach the world-famous wine village of Chateauneuf-du-Pape. Be sure to sample some of these great wines! Your daily tour ends with a leisurely ride through the vineyards to Orange and its ancient Roman theater.

Day 2

Orange - Séguret

Bike
25km

You'll leave the historic city center to reach the surrounding plains of Orange. This route takes you past the intriguing rock formation known as "Laces of Montmirail". The rocks have been finely chiseled by erosion, giving them a "lacey" appearance. You'll pass several wineries where hosts will share their knowledge of winemaking with you. Continue until reaching the town of Séguret

Day 3

Séguret - Mazan

Bike
34km

This morning's tour leads you through the 'Grands Crus' of the Rhone Valley as you discover villages such as Gigondas, Vacqueyras and Beaumes-de-Venise. Follow the path on quiet, back country roads between scented lavender fields and olive trees. Stop in the towns of Carromb, Modène and Saint-Pierre-de-Vassols and explore the uniqueness of each place. Your final destination is Mazan, with its historic town center.

Day 4

Mazan - L'Isle-sur-la-Sorgue

Bike
35km

You'll head South this morning to reach the former capital of the Combat Venaissin, Pernes-les-Fontaines. The town has preserved many medieval remains, including forty fountains! The next part of the route follows alongside the Carpentras Canal, where you'll reach the enchanting town of L'Isle-sur-la-Sorgue. This former fishing village was built on stilts in the 12th Century. Today, the town is known for its many antique shops. If you are looking for a bargain, check out one of the 350 secondhand goods dealers!
