With family, friends or as a couple, this short cycling holiday will take you on the traces of the history of France with the castles of Chambord, Cheverny, Troussay and Fougères-sur-Bièvre that will stand on your way. You will end up along the Loire to reach Blois where you can discover the renowned Château de Blois and the charm of

the old town.

Enter the magnificent forest of Chambord. Take a peek at the sculpted salamanders engraved on the walls of the most extravagant castle of the Loire Valley, masterpiece of French Renaissance. Take the double staircase in which two people can go up and down without seeing each other. That will lead you to the royal apartments of Francis I and Louis XIV.

Then, continue to the small village of Bracieux.

Cross the countryside to discover all secrets of a chocolate factory, a well-known industry in the region.

Then ride along the Cosson creek and discover the small castle of Villesavin before regressing to childhood in Cheverny castle. This should bring up some memories, if you ever read Tintin: it was the inspiration for Moulinsart castle.
