Day after day, in the enchanting region of the Loire valley, explore the magic of Chambord and be seduced by the medieval city of Amboise.

Day 2

Blois - Bracieux

Bike
30km

Enter the magnificent forest of Chambord. Take a peek at the sculpted salamanders engraved on the walls of the most extravagant castle of the Loire Valley, masterpiece of French Renaissance. Then, continue to the small village of Bracieux.

Day 3

Bike
25km

Cross the countryside to discover all secrets of a chocolate factory, a well-known industry in the region.

Then ride along the Cosson creek and discover the small castle of Villesavin before regressing to childhood in Cheverny castle. This should bring up some memories, if you ever read Tintin: it was the inspiration for Moulinsart castle.

Day 4

Excursion à Fougères-sur-Bievre

You can enjoy the day to relax by the pool and explore the surrounding area or discover one of the few fortified castles of the Loire Valley, the Chateau of Fougères-sur-Bievre.

You ride through the countryside before reaching the Loire banks, along which traditional wood boats called "toues" are anchored. You reach Chaumont-sur-Loire, known around the world for its International Garden Festival, an annual garden design competition which presents the best creations in the castle park.

Day 6

Chaumont sur Loire region - Amboise

Bike
