Itinerary

From Orléans to Tours, ride along the "Loire à vélo" cycling paths and discover France's most prestigious château de la Loire: Blois, Chambord,

Amboise, Cheverny, Beauregard, Chaumont, Le Clos-Lucé, Chenonceau... The Loire Valley is on the Unesco World Heritage List and is perfect for a cycling holiday: cycling paths and roads take you across forests, plains and vineyards on a flat itinerary. Day after day, your cycle tour reveals the wonders of this enchanting area: the magic of Chambord, the delicious Loire wines tasting, the medieval town in Tours and the iconic chateau de Chenonceau. This bike trip combines on a wonderful way the beautiful landscape, the unmissable chateaux de la Loire and the delicious French cuisine.

Day 1

Arrival in Orléans

Orléans was a very flourishing city during medieval times and has hosted many famous figures such as Saint-Aignan, Calvin and of course Jeanne of Arc. Discover its rich history by visiting the Sainte-Croix Cathedral, the crypt of Saint-Aignan, the restored house where Jeanne of Arc stayed and the many mansions like Hôtel Grosset or Hôtel des Crêneaux.

Day 2

Orléans - Beaugency

Bike
39km

Ride leisurely on the river banks surrounded by a lush vegetation to Cléry St André basilica, where the French King Louis XI is buried. You go further along the river to Meung-sur-Loire. This small medieval town was the residency of the archbishops of Orléans and inherited a nice collegiate church. Stop at the castle and stroll around the historic center before heading to your final destination of the day. Beaugency overlooked by its 11th century dungeon.

Day 3

Beaugency - Blois

Bike
49km

You continue your ride to Blois, enter chateau de Chambord's magnificent forest and take a peek at the sculpted salamanders engraved on the walls of Loire's most extravagant castle. You pass through quiet villages before getting back along the river and enjoying a wonderful view on Blois old town. Discover the charms of the chateau de Blois, which was the stage of many court plots. Look carefully at the spiral staircase and be amazed by this architectural marvel.

Day 4

Blois - Cheverny

Bike
24km

You cycle to Cheverny on small country roads lined with rape fields and vineyards. Cheverny castle is the one who inspired Hergé to draw Moulinsart castle in the comic book Tintin. It stands out thanks to its rich furniture.

Day 5

Cheverny - Chaumont-sur-Loire region

Bike
29/50km

2 route options

Today you have the choice of two bike routes. If you like, stroll through the Chateau de Beauregard's art gallery. You'll find over 327 portraits of famous European leaders that forged history between 14th and 17th Century. Looking for something more active? Ride through vineyards before arriving in front of the Fougeres-sur-Bievre drawbridge. Your ride then takes you on a delightful route as you follow the totes, or traditional boats along the path from Loire to Chaumont-sur-Loire. The city is famous for its fairy tale castle as well as the International Garden Festival which displays over 30 themed gardens with a variety of garden art. After marveling at the castle and gardens.

Day 6

Chaumont sur Loire region - Amboise

Bike
11/22km

This morning's route takes you directly to the beautiful city of Amboise. The medieval town has link to the French Royal Family and is where Leonardo de Vinci spent his last few years. Explore the many cobblestone streets and check out the unique architectural features of the Chateau d'Amboise. The Chateau gives you one of the best overall views of the Loire Valley.

Day 7

Amboise

Let the medieval atmosphere of this city seduce you. Admire the machines designed by Leonardo da Vinci which are surprisingly up-to-date in Clos-Lucé, the last place where he lived and died.

Day 8

Day trip to the castle of Chenonceau

Bike
45/70km

2 route options

Your tranquil bike route today leads you through idyllic natural beauty with rivers and forests, leading to the most iconic Chateaux de la Loire, the "Chateau de Chenonceau". This historical castle had an almost uninterrupted succession of women who built, restored and saved the castle. Today it is one of the most photographed castles in France. If you like, continue riding along the banks of the Cher River until you reach the underground city near Bourre. This subterranean city can be viewed to experience what life was like living in a cave-structure. You'll see an amazing reconstruction of an underground city.

Day 9

Amboise-Tours

Bike
26/34km

2 route options

Today you have a choice about which wine route to take to get to the charming town of Tours. Both routes offer great scenery and pleasant ride! One route leads you through Vouvray's sparkling wine vineyards with picture-postcard scenery. The other route leads you through the Montlouis-sur-Loire stunning white wine region.

Day 10

Departure from Tours

Before you leave, take time to explore the half-timbered houses, churches and museums in Tours. Saint-Gatien Cathedral and Plumerai Square are worth a visit. Then it's time to say goodbye to your bike as this memorable vacation comes to an end.
