This stay will allow you to also discover Provence with its sunny gastronomy which captures the very essence of the region. The luxurious hotels will offer you meals where your taste buds will be awakened by an abundance of local products, full of passion, sweetness and terroir. Finally, after climbing the "Col des Trois Termes", you will descend towards Isle sur la Sorgue, a charming town famous for its canals, its picturesque markets and especially for its antique and second-hand dealers.

Day 1

Avignon

Your bike trip begins in the heart of Provence. Discover Avignon, a city with exceptional architectural and artistic heritage. The walled city has a town center enclosed with ramparts. You might want to take a river cruise on the Rhone River or meander the winding streets and cross the historic Saint Benezel Bridge. The city is filled with historical churches as well as modern day cafes.

Day 2

Avignon - Uchaux

Bike
54km

Let yourself be seduced by the charm of Avignon, visit the Palais des Papes, a UNESCO World Heritage site, and stroll through the old town. Then, leave the city of the Popes to ride through the countryside to the Rhône and its confluences. Pedal through the vineyards before reaching the famous village of Châteauneuf-du-Pape. A stop to taste its grands crus is a must. Finally, continue peacefully through the vineyards to Uchaux, passing Orange and its ancient theater.

Day 3

Uchaux - Crillon le Brave

Bike
41km

From the village of Uchaux, drive along the small Provence wine roads and enjoy the scenery. Then, in the second half of the stage, take the Venaissia route, which links the Luberon to Mont Ventoux. As you leave the cycle path, you can see Mont Ventoux in the distance, and the village of Crillon le Brave. Beautiful climbs await you on shady paths lined with olive trees.

Day 4

Crillon le Brave - Gordes

Bike
31km

You are set on probably the most beautiful stage of this journey but also the most intense! After leaving the charming village of Crillon le Brave, you will cross magnificent vineyards and charming little villages. Your path continues through Mazan and then gradually begins the beautiful climb until you arrive at the Col des Trois Termes! You will be able to observe the magnificent landscape and have a beautiful panorama of this beautiful region. Then continue by taking a beautiful descent to Sénanque Abbey, a magnificent Cistercian building still in activity! One last little effort for a final climb before arriving in Gordes, a village that is one of the most beautiful villages in France!

Day 5

Gordes - Isle sur la Sorgue

Bike

After enjoying your night in Gordes, you are on the last stage of your trip! You ride on peaceful roads with very beautiful landscapes around you. The route takes you through Roussillon, a typical Provence village with its ochre soil. Your journey continues on a superb cycle path in the heart of nature where calm is omnipresent. Before arriving at your destination, you cycle to the village of Fontaine de Vaucluse, an unmissable and emblematic village in the Luberon! It is here that the famous Sorgue spring gushes out. Finally, after visiting the village, drive peacefully on the country roads, always continuing to follow the hectares of vineyards to arrive at Isle sur la Sorgue, a magnificent Provençal town, very dynamic and rich in cultural heritage.
